“ Faye and family, it is a very heavy heart I am so sorry for the loss of your wonderful husband and father. Cal was a great man, I always enjoyed visiting with him. He was such an uplifting person you could talk to when I was down. He always had compliments for my cooking on Wednesday night dinners. He will be missed by many especially me. Praying for you all Linda Durrance

“ Mr. Walker was a neighbor to my parents my entire life. He was a great father and became a great friend of mine. I had many long conversations with Mr Walker about life. He was a kind, gentle man full of wisdom. My daughter and I got to visit him when he was in a home and made great memories before covid. Thank you for being such a wonderful neighbor and human being. Blessings to all of the family.
