“ Pres, I am missing you so much, going over to the house is not the same anymore without you there! You left us so unexpectedly. I am so thankful that God allowed me to see you on your very last Birthday on this earth and the little time we shared on that day was truly a blessing. You are now with dad, may you both rest in peace until we meet again in another life. Love you and will always and forever be in my heart, your big sister, Ann.

“ Our childhood growing up in Connecticut and fishing with dad was the best time in my life that we shared. Presley you chose a simple life and easy path. You had a few ups and a whole lot of downs. You were still blessed (Bianca) and God's angels had watched over you. I pray that even though we as individuals could not guide you on this earth, surely Heaven has opened up its doors for you. You will always be remembered. We forgive you and hope you forgive us. Till we meet again, your baby brother Glen.

“ *My beloved brother, you will always have a special place in my heart ; I know you are in a better place where you will find peace, love and happiness that you truly deserved. It broke my heart when I found out that I had lost my Favorite Sibling, but it gives me comfort that you are with Patrick and Pream, I know that they will take care of you. Until we meet again, love your sister, Rita.*
