“ I would like to send condolences to Mrs. Judith Hickman and family on the passing of Mr. Ralph Hickman. I was privileged to take care of Mr. Hickman medically for a number of years and enjoyed our conversations and sharing of our military backgrounds.

I hope he was able to finally see Army beat Navy this past year as we always talked about the game for a number of years.

Thank you Mrs. Hickman for letting Mr. Hickman and you share each of our life and children's experiences through the years.
