“*Ramon was my co-worker for almost 30 years at CIT, one of the nicest people you could have the pleasure to work alongside. To his beloved parents, your son was a treasure and everytime he spoke about you there was a twinkle in his eyes. He will be missed, truly gone too soon.*

“*Ramon was my co worker for many years and interviewed me for my first job in Manhattan. I think back on all the laughs and good times we had. He was such a great person to learn from and just be around. He was the first person to tell me that I was going to marry my wife who I was dating at the time. They broke the mold when they made him he was one of a kind with his raspy voice and quick wit. My condolences to the Gonzalez family he is now and will always be missed.*

To the Gonzalez family. Please accept my deepest condolences for the loss of your loved one. Just as their life touched your life in a way that nothing could, so has their loss. May you find comfort and peace in the memories you have and the love you shared. You are in my thoughts as you pass through this dark valley.
