“ Growing up in the trailer park off Oakridge road I met Randy and his sister Danielle. Not long after our parents met in a whirlwind romance and next thing I know we're the blended Brady bunch living in a house off Orange Ave and me, my brother Chris and Randy would spend hours jumping our bikes and playing with our stomper cars. Randy was always a kind hearted person who had a great spirit and love for life. No matter the distance we had over the years he was always happy to hear from me and I him. I am so thankful he knew the Lord so that one day we can return to being family. I pray a blessing of peace for all that loved him, he will be truly missed until we meet again.
