“ Miranda and I send our deepest sympathies to Pinky's family and extended family. The sudden loss of a beloved family member is never easy, but remain strong in each other and the love you all share for her and each other. God bless.

“ This candle is lit on behalf of myself and my mom aka Aunty Kalo... R.I.E.P Aunty Pinky... as a child growing up your visits to Trinidad were always a treat to the point where I made a mala of sweet prunes lol. And your treasured friendship with my mom will be dearly missed as your sudden departure has left her with great sadness, but solace is given to her knowing that you are with God now. To my cousin's I pray that you are all granted strength as you endure the pain that no words can ever heal. Always remember your mom whenever you look at each other knowing that she is very much apart of each of you always.

“ *Just met Pinky two weeks ago, but realized what an outstanding woman she was. She was outgoing, interactive and had a great personality. Enjoyed our short time with her. Wish we met her years ago. Our thoughts and prayers are with your family during this difficult time. Find peace in knowing that she did not suffer. Love, the Martines Family from Hawaii.*
