“ Ray Johnson was my stepdad.. Actually he was one of my three dads..I was blessed with my father Larry, Ray and Bodie..My father Larry passed and then Bodie. I always still had Ray in my life he was one of the three..Ray was a fighter and didn't give up..I have so many memories with him. I watched a strong man fight cancer and beat it but it finally won physically not mentally.. Today he will go to his resting place but he will not be forgotten. I love you Ray and will see you and my other ones I've lost one day.<3

“ I lost my Brother, RAY on April 15,2016 and along with him I lost a little bit of my heart. I will forever miss him. He was always there for me.He was there for Encouragement,Advise or just a shoulder to cry on. Ray loved Life and enjoyed it to the fullest. I can just see that big smile and him saying Sis it will be alright. I will carry him in my Heart until the day we are re-united in Heaven. Love and Miss you Little Brother.
