“ *Al Carlson - Brother-in- Law posted a condolence I've known Ray for over 50 years and he was always a "prince of a guy". His nephews really loved "Uncle Ray". If his sister Doris, my beloved wife, were still with us, we would have had a joyous 50th Anniversary this year.*

“ *Ellen Buschmann - Sister posted a condolence OK Ray,I guess I'm ready now! I'm so happy we had those two weeks together to just talk about our childhood and our wonderful lives growing up in Brooklyn, never knowing it would be our last. I remember thinking how handsome you looked the day I left to go home. I'm so lucky to have had such a wonderful "big" brother and also the sweetest of all. I cannot even say in words how much I'll miss you. It's just unbelievable that you will never be there for me again. I love you so much and will miss beyond belief. Your loving "little" sister, Ellen*
