“ Beth Wallace - Long time Friend posted a condolence My sincere condolences to all of you in this time of your loss. My memories go way back from the times in Springfield and I can still hear his laugh and see his beautiful blue eyes. He was always so sweet to me when we would talk and just a gentleman all around. I still have the memories when I am traveling in the Springfield area of the places I go by that you lived at and I think of the times in those places-nice memories for me. May time heal all of you and when you think of Ray, your husband and your Dad may you smile with good memories and know that he is in peace now.
