

Raymond P. Cerasoli

July 31, 1934 - March 28, 2022

Raymond P. Cerasoli - Ray enjoyed his family and friends immensely and embraced the times spent together. Ray was that guy that you met for the first time and felt like you knew him for years. You could always count on him to be there if you ever needed him.

Ray was an accomplished 22-year Navy veteran who served during the Korean and Vietnam War. While in the Navy, he was on three different nuclear submarines serving as chief of the boat (COB) as well as a chief petty officer (CPO). He was well respected by his peers. After his Naval career, Ray worked for the USPS, owned various businesses including a hot dog cart business (Cap't Vals) and a local limousine company (Elegant Limousine).

Ray held his family and friends close to his heart. His passing leaves a void for the people who knew him, while at the same time leaving a wealth of comforting, hilarious, and great memories of times spent together.

Ray is survived by his wife Val Cerasoli ; his children Frank (Adriana) Cerasoli, JoVal Cerasoli and Rae Cerasoli; his three amazing grandchildren, Chelsea Rae, Michael, and Gabriella; and one great-grandchild Joey.

Ray will be missed but never forgotten.

Please see the Upcoming Events area below for service information. In true "Ray" style, we will gather, have food, drinks, and share some memories in celebration of his amazing journey through life.

As good ole' Frank Sinatra & Dad would say...

"I've lived a life that's full...planned each charted course...Much more than this, I did it MY WAY."

The family of Raymond P. Cerasoli invites you to leave a message of condolence on the Tribute Wall created in his loving memory.

“ My sincere condolences to the Cerasoli family on the passing of Ray. He was my Leading CPO on the USS Gato SSN-615. He was quite a guy. I had the memorable pleasure of a visit with Ray about 15 years ago in Missouri City when he passed through Texas on a business trip. It was great seeing him again after so many years.
