

## Raymond Scheidegg

May 5, 1944 - March 3, 2026

It is with a heavy heart that we share the news of the passing of Raymond Scheidegg, age 81, on the afternoon of Tuesday, March 3, 2026.

Born on May 5, 1944, in New Jersey, Ray grew up in the Panama Canal Zone before returning to the states to graduate from Middle Tennessee State University. Following a career in law enforcement, Ray retired to a life of leisure and travel with Judy, his devoted wife of 58 years. He had a heart of gold and a fierce love for his family and the outdoors. Ray was happiest working in his yard, spending time with the family pets, hiking mountain trails, and cruising the world.

Ray was preceded in death by his parents and two siblings. He is survived by his wife, Judy; his son, Mark; his daughter, Tanya, and son-in-law, Caine; and his sister, Diane.

In accordance with Ray's wishes, he will be cremated. The family will celebrate his life at a later date by spreading his ashes in some of his favorite places in nature.

In lieu of flowers, please consider making a donation to the following organizations, both of which provided Ray with immense comfort:

“ Sorry to hear that Ray had passed. Back in the early 70's I rode NW side of Orlando and would bump into Ray on many calls so we got to share a lot of stories. Later I worked in Crimes Against Persons and Ray worked in Economic Crimes. Our desks were adjacent and during that period many pranks were pulled by each unit. Definitely had to have a thick skin back then.

*Rest in Peace Brother*
