

## Raymond Lee Siegel

September 21, 1944 - January 1, 2016

Raymond Lee Siegel, 71, of Windermere Florida, went home to be with the Lord on January 1, 2016. He was born on September 21, 1944 and was the son of the late Raymond and Alice Siegel of Berwick Pennsylvania. Lee served in the National Guard and then went on to work for his father in the family plumbing business for many years. He also worked at Pennsylvania Power and Light for several years before moving to Windermere, Florida in 1985. After moving to Florida he was employed at Walt Disney World, as well as having his own plumbing business where he was loved by all of his customers...them even waiting for him if he was out sick or on vacation, saying "we don't want anyone but Lee in our home." Lee was passionate about fishing and hunting, as well as traveling and spending time with family. He most enjoyed moments spent with the grandchildren. His fun, joking ways and genuine care for others will be deeply missed by all who knew and loved him. He is survived by his beloved wife of nearly 50 years, Kathy Ann Davis Siegel; his daughters Suzanne Szelengiewicz and husband David of Groveland, Florida; Jennifer Coon and husband Steve of Windermere, Florida; his grandchildren, Tyler Szelengiewicz, Logan Coon, Parker Coon, Stephen Coon, and Benjamin Coon; his great grandchildren, Luke and Ethan Szelengiewicz; and his brother, Jim Siegel of Berwick, Pennsylvania. A celebration of life service will be held at 1pm on Thursday, January 7, 2016 at First Baptist Church Orlando in Henry Chapel. Pastor Jim Henry will officiate. There will be a reception directly after where family will receive friends and

serve Lee's favorite food - desserts. In lieu of flowers, the family is requesting donations be made in Lee's name to either First Baptist Church Orlando Foundation, 3000 S. John Young Parkway, Orlando 32805, or Hospice of the Comforter, 605 Montgomery Rd., Altamonte Springs 32714.

“ Lee and Kathy Siegel have been friends for years. We have had so many fun times together that there would not be enough space to share them all. Our friendship started back in the early 90's when we went to Coventry, England with the choir and drama of First Baptist Church of Orlando. After the week of choir/drama presentations, we continued touring Europe for two weeks. So many wonderful memories. Over the years there have been other trips to the N. C. mountains. Most memorable was the time we spent together with Lois Wenger at her mountain home in N. C. Lee would hand feed the deer every morning but Lee would always start our day by cooking us breakfast. We also spent time traveling to N. C. with Lois Wenger and Barbara & Lowell Kamm staying at some memorable bed and breakfast spots. During the last year we have spent much time with Lee and Kathy doing the things that Lee liked - going out to eat, going to Disney Springs and one of our last big outings was to dinner at the Grand Floridian. That was our "Christmas" celebration which we will always cherish. Lee we miss you so much - no one will ever be able to fill that empty space in our hearts. We look forward to the day in Heaven when we will again all be together.

“ Lee was the cousin who would tease you until you cried and you would always have to look over your shoulder because you weren't quite sure what was going to happen next.  
And they are all great memories. You reminded me so much of dad. Lee will be greatly missed by all but I am at peace to know he is with our loved ones and they are all keeping an eye on us.

“ I will always remember how much he loved to go to Wampus with his dad and to the cabin for deer hunting. We really enjoyed the time with you when you stopped by for a visit. Lee will be missed but we have lots of memories to recall until we see him again. I know he is rejoicing with the family already in heaven. Gail R.

I will always remember the good times we had when we would make our trips to Disney. We would call Lee & Kathy and tell them that we had arrived. The first night we were there of course we would go out to eat and then after dinner we had to make sure we stopped and had ice cream cause that was his favorite dessert. He had to have that every night before he would go to sleep. He was sometimes a pest but we loved him all the same. He would do anything for you. That was the man he was. We really had good times as he was alot of fun. We will miss him Cindy

*My dear cousin, Lee. I don't even know where to begin with all the wonderful memories of good ol' Berwick, PA. Lee always loved a good prank and he had plenty up his sleeve. I can remember being awakened at Grammie Klingerman's by a cup of water being poured on my face and opening my eyes to see Lee standing over me just laughing and telling me to "Rise and shine, time to get up and at 'em." Trips to the cabin and having to sleep with one eye open because you never knew what you might find in your sleeping bag when you awaken. Could be a fish or a frog, to name a few. He truly was one of a kind, the best kind. I know he will be missed by any and all who had the honor of knowing him. My deepest and heartfelt sympathies go out to you Kathy, Suzanne and Jen.*

*I will never forget my wonderful, funny cousin Lee growing up. As my sister Beth said, you never knew when or where the next practical joke would take place, but you knew it was coming !*

*Lee always drove a nice car, which as I grew older learned to appreciate nice cars, too. Lee and Jim and my Aunt Alice and Uncle Reig were big influences in my life. I always wanted to grow up to be like Lee. I remember the day Lee married Kathy...It now seems like just yesterday to me...thinking that one day I might be so lucky to marry someone as loving and beautiful as Kathy.*

*My sympathies go out also to Kathy, Suzanne and Jennifer and their families. We had so many wonderful times in PA. with them all, especially when Lee would take us up Front St. for a "Stuccio's" pizza carry-out...Love you Lee !!!, Cousin Billy King*
