“ *CSM Robert Graffum II - US Army Retired posted a condolence Donna and Kenneth, Bob and I are saddened to read that Ray has passed from our world. Bob served with Ray in the 430th MI and we continued our friendship serving at Aberdeen Proving Ground and for many years beyond Ray's retirement. Ray was our guest at our son's graduation from the US Naval Academy and at many of our family's special events. We "rocked" with Ray through the eighties at beer fests and wine fests; we volks-marched in many towns, and we enjoyed Maryland Crab in the Inner Harbor. Rest assured that Ray touched the lives of many people with his sense of humor, keen intellect and generous spirit. Please know that our thoughts and prayers are with your family, Trish and Bob Graffum*

“ *Debra Sharkey - Co-worker posted a condolence To the family and friends of Raymond, please accept my deepest sympathy for your loss. I only had the pleasure of knowing Ray through the classes he taught on taxes, but I looked forward to his teachings each year. He was one of the most brilliant people I have known, and his knack for telling a great story made even tax law entertaining. He will be greatly missed.*

“ *Donna Wade Hedges - Sister posted a condolence Raymond was only 65 years old when he was called to a joyous family reunion in heaven. He was met by all those he loved who went before him. Having always loved celebrations, we're certain he was his usual humorous, witty self when he arrived. Ray was a man of great integrity who would go to great lengths for his family and friends. He was a patient listener who could find a beam of light in the darkest of situations and manage to make you smile even when you didn't want to. His sudden death has left us filled with sorrow as we try to accept the fact that he is gone. My brother Ken said it best: when Ray closed his eyes on this life, he opened his eyes to a new life with God. He now rests in a place where there is no more sorrow, sickness, or tears. And while we continue on in this life, we believe we will see Ray again. Raymond, I love you and will miss you beyond explanation. You graced my life with your love, your patience, your humor, and your faith in me. I will carry you in my heart until we meet again.*
