“ She was a light in my life as her next door neighbor and a second mom to me growing up. She was always caring and loving and always had something sweet to say, a hug and kiss to Give and a snack and entertainment to share. We played a lot of board games and cards. She was a blessing to all. She is greatly missed and I regret not seeing her for many years before she went to be with the Lord. Her life was such a full and happy life. She was always content and happy. Hugs and love to her sweet family until will get to see her again one day! ❤️
