“ My greatest memory of Uncle Richard was when he took us kids for rides in his Roadrunner (my favorite car!!!). I think I got my love of ships from him as well. My condolences to the rest of the family, I love you all.

> *Dear Betsy,
Your tribute to your father touched me deeply. The way you shared your childhood memories and the love you still carry was incredibly moving. He must have been a truly special man to have raised such a thoughtful daughter. Thank you for sharing that part of your heart.*

*With respect and sympathy,

“ *I'll forever miss talking to Mickey Mouse and Donald Duck! Every time we would call, Grandad would get on the phone and we would ask to talk to Mickey or Donald, I think we may have talked to Minnie and Goofy a few times too! Grandad would ask us to hold on and he would make some noises and tell Mickey that we wanted to talk to him. Mickey would get the phone and tell us things and ask about what we were up to! It was very exciting and magical!*

“ Dad,
I will forever miss your stories, jokes and silly voices. You had such a wonderful personality and character, such a unique man you were! I will have to hold tight to my memories. I have so very many of them, both from childhood and as an adult...dinnertime antics, dancing with you on your feet, climbing the wall and across the ceiling, Harry Glickemeyer & Joe Schmo examples, catching fireflies. I could go on for days with all my memories. So very many experiences and lessons, Thank you for them all!!
I will forever miss you.
Love, Bets ~ Your favorite daughter

“ *Mr. Dyer was the first neighbor I met when I moved into my home. He was welcoming and friendly and helpful to me when I needed support. He was the type of person that you could count on at a moment's notice. I will never forget the generosity that he showed to me. Rest in Paradise Mr. Dyer until we meet again.*

Mrs. Dyer, during difficult times like this I find comfort and I sincerely hope that you do as well, in Proverbs 3:5 " Trust in the Lord with all thine heart, and lean not unto thine own understanding". My deepest condolences on the loss of your husband.
