“ *I love you daddy!!! I still can't believe your gone. Growing up we made so many memories that I will forever cherish! You always made sure that your girls were taken care of and plus some. You made family your first priority always. I'll never forget the road trips, rock springs, early mornings, the laughter we had, and your giving heart. You are the best daddy any girl could ever ask for! I'll miss your phone calls and your good night text. My phone will be silent without you. I'll miss your facebook post and your "likes" on every picture I post. If I could only pick up the phone to say I love you one more time. Your body may be gone from us but your memories will last a lifetime. Your grandchildren will know who paw-paw is and what he was like. I'll continue to go visit grandma and grandpa and while I'm there I'll visit you too! There are absolutely no words to describe what I feel without you here but I know you wouldn't want us to be sad. I'll miss you sooo much and can't picture life without you. You were always there when we needed anything. All we had to do was call. Love you daddy, until we see each other again. Fly high with grandma, grandpa and uncle frankie. You will never be forgotten.*
