“ We are heartbroken to hear about the passing of our beloved Primo. There are just so many memories of the times we spent together in our early years. So many funny stories of how we used to pick on Richard-- and then he would pick on us(me and Sam). He always had a quick wit and never was shy about using it. So many times spent at my Tia's house and so many adventures! Even the ghost noises we all swore we heard.

Richard always had the low voice and was well dressed---very stylish!

I always enjoyed his view of life, humor, and his sense of family.

He was always so proud of his family

I remember the last time we spoke I called him to get advice on how car dealers finance cars and we spent an hour talking about his move to Florida and how proud he was of his children

We will miss you Primo

God Bless

Say hi to my Mom and Dad when you get to heaven

Say hi to my Tia and Tio

Love

Primo Tommy, Blanca, Andrea, and Gabri
