“*Leslie-Ann Runnels Downey - Friend for High School posted a condolence I know that I was not able so come down to Florida to meet your liitle guy. Though I wanted to stop by and tell you what I know and take it what it's worth. And just know that I love ya girl, my prayers are with you and don't worry when it is call me and we can talk threw it.. Guess What Mommy & Daddy? Guess what mommy & daddy, Heaven is great. Just like you said, There's not much longer to wait. Guess what mommy & daddy, I have a guardian angel who comes at night. I told him I wanted to go, But the times not right. Guess what mommy & daddy, My angel came this morning. While you were still in bed, He came with a warning. Guess what mommy & daddy, When I left with my angel, June. So you could rest some more, I knew my time was soon. Guess what mommy & daddy, When you were finally out of sight, I told my angel, The time is just right. Guess what mommy & daddy, When you still didn't know I was gone, My angel put his hand in mine, And I was no longer stiff or sick,I felt so happy & fine. Guess what mommy & daddy, When the hospital called,I saw you crying from above. I saw daddy & how scared he was, And I knew how much I was loved. Guess what mommy & daddy, On the way to the hospital I heard you pray, Don't let them bring me back, I know you don't want God to take me away. Guess what mommy & daddy, I saw you walk into the ER,and ask is he gone. I saw the look on your face when the nurse said yes! It looked like you'd never go on. Guess what mommy & daddy, I seen you holding me tight. I kissed you good-bye with my love, And tried to tell you I was alright. Guess what mommy & daddy, There's no more pain, You can go on with your life, And not feel so drained. Guess what mommy & daddy, I'll watch you all your days through. And be like your guardian angel, Just because, I LOVE YOU!!!* WROTE BY: "LULU"
