“*Dick, I'm so sorry I just found out you passed. Oh you were a tough old bird. I was so afraid of you when I met you and Katie. Little did I know I would find out you were really just acting tough. You were a kind soul and took me as your daughter. You made me laugh over the years. I missed you. I hope you understand. I hope you are happy up there with Katie. Give her a hug from me. Tell Mike I miss him terribly. Hope you both can share a beer. Thank you for being there for us. I will think of you often. Fly high my friend.*”
