“ I just learned of this devastating news. My heart aches for the family. Rich had a joyous demeanor about him. I never felt like a client, I felt like family. He and I talked about everything; life, children, loss. I will miss our talks and calling him. Richard and Esther you and Rich's children are in my thoughts and prayers. God bless.

“ *Richard and Esther –I was shocked and saddened to hear of the loss of your son, Richie. Please accept my deepest sympathies. Over the years, we had many talks on the telephone; Richie would always brighten my day. Sometimes we would laugh about his high school days where he and my daughter attended. Sometimes we had serious talks, and he assured me everything would be alright. Either way, I always enjoyed talking with him. I will remember him fondly as a person who would always go the extra mile and his extraordinary spirit. May your memories of Richie surround you and give you strength and peace in the days ahead. “ *Rich and I shared a love for the game of golf...our biggest common bond within the game was helping foster the pursuits of his son Michael. As with anyone that knew Rich, I admired how kind of a soul he was and how much he loved his children. I promise you Rich, I will continue to guide Michael within the game and I know that you, his daddy caddie, will be keeping a close eye on us from above. Rest in peace my friend and my deepest condolences to those who love you...*

Dear Richard, Esther and Family,

You are in my thoughts and prayers. Rich and I both being former swimmers and avid FSU Seminole fans, we shared a wonderful friendship over the years. I will miss those conversations very much. I also will remember his advice professionally and appreciate his guidance and thoughtfulness over the many years. Rich was a good man, and I know he will be missed by many people. But never forgotten. As we would usually say after our arm chair quarterbacking, Go Noles!
