“ *I've been thinking a lot about the old neighborhood and what a special place it was and how fortunate I was to grow up there. I had 3 biological brothers but an extended group of brothers. Ricky being one of them. How many games of football did we play in the mud, flashlight tag, racing bikes, riding the skateboard ramp in my yard, etc. Ricky spent a lot of time at my house and I stopped and talked with him so many times on the path next to his house on the way to the store at the front of Ravenna Park. I was so happy to know that Ricky found such a great love here on earth and knowing he has eternal love through the lord does my heart good. He has joined so many others I have loved in my life who have gone before me and I hope they were their to welcome you home. I pray the lord brings comfort to your family at this time. See you again someday my frlend. Love, Valorie (Brownell) Buddington.*
