“ So shocked and saddened to hear of the untimely passing of our friend Rick. While growing up in Gloversville, New York we spent a lot of time together. We shared many experiences: including the Trinity Cadets Drum and Bugle Corps, traveling around the NE to Drum Corp Shows and attending the yearly Robbin’s family vacation at the Northampton campground. One fond memory was driving the scooter up Route 30 with Rick, being pulled over by the Police for holding up traffic because of the slow maximum speed, still makes me laugh to this day. After Rick and family relocated to Clifton Park, Rick was gracious enough to accept our invitation to be in our wedding. As our career paths separated us, we did find some time to meet up in Pa. and again in Ct. for a lunch or dinner and of course a Drum Corp Contest. After losing track of each other for many years, we were very fortunate to meet up again in 2017 in Mooresville, NC and share precious moments from the past over lunch. Gail and I will always cherish remembering his stories and going through old pictures noticing his usual facial grins. Sadly, he will be missed by all that knew him.

Our deepest sympathies, Rest in Peace Rick.

“ Our lives were forever changed for the better when Rick brought Mike and I into his inner circle of fun-loving friends and family almost 40 years ago while Mike worked at Tiger’s Pub. I have decades of amazing memories of picnics, parties, or just sitting around a fire and having deep conversations that always seemed to take a left turn and erupted into belly laughs. I am truly thankful for all those memories and will miss Rick’s sly grin and the twinkle in his eyes.

We are deeply saddened to hear about Rick. So many happy memories of him from high school and then later when our boys played hockey together. Our prayers are with his family. RIP, friend.
