“ *My heart goes out to my dear friend Jackie and the rest of the extended Swann family in the loss of Richard. He was a great cut-up and teaser and I loved to hear his stories about the family and the trips fishing. It hurt to see him suffer these last few years. I know he would have liked to do more, but I also know he fervently loved his family and the time they spent together! I'll miss his booming voice, his laugh and his "I love you" s. He was a great friend, I loved him back, and always will. Soar with the angels, Bubba!!

“ *There are no words to say that would make the loss of Richard any less heartbreaking!
He was more a brother than a brother-in-law, since I was around 8 years when he came into our lives. He will be missed immensely. I am glad he is free from his suffering.
Rest in peace Brother. Love you always,
Sister, Myra.💕*

Our sincere condolences to my sister Jackie and all of the family for their loss. Richard was a loveable fun loving member of our family for over 60 years. He loved his family dearly along with his passion for fishing and sports which he enjoyed sharing with others. Always a gracious host in his home and very supportive of my family when needed.

You will be greatly missed, brother. Rest in peace.

My dearest sister, Jackie, children, and all the family our deepest sympathy for your great loss. No matter the situation, we are never prepared to let go. Richard enjoyed life and wanted all around him to have a good time, whatever the occasion. He loved to fish and even caught some trout on a trip near Crater Lake. We have so many great memories to think on for a long time to come.

He is and will be forever missed. Blessed for the years we all had together.

Uncle Richard was the kindest, sweetest, loving person. It breaks my heart that he is the last of his nuclear family and now has gone to heaven to be with them to dance in joyful victory. But we who are left here will never stop missing his smiles, hugs, humor, and fun. I bless the days I spent with him and the rest of the family in my early childhood. His wife Aunt Jackie is as kind and sweet and loving as he was. The perfect pair. I will always miss all the Swanns in my family. I know they are truly angels now. They were angels to me with their love while here on earth.
