Robert Oren Bibler, Jr

October 1, 1949- November 23, 2009

Rob passed away Monday night November 23, 2009, after a long battle with cancer. He was a rare character whose presence will miss for the rest of our lives. Out of the seven kids he was the self proclaimed FAVORITE of our late mother.

As Sally reminds us while living on the Florida East Coast he was our Sunrise Reporter. It didn't matter where you lived in the country, on the East Coast or on the West Coast, If he thought you needed to hear about the sunrise he was witnessing at the time, you could expect a call.

He loved his brothers and sisters with a passion not seen by many, and we are all so much better for him.

He was the hands down Favorite Uncle of all the 18 nephews and nieces. From teaching the first to cheer "Go Pope Paul", to encouraging the last to get her first tattoo. He was the fun Uncle. He was and is our HERO. We love you Rob

“ I was very sorry to hear of Rob's passing when John Robert told me about it yesterday. I came to know Rob in the late sixties while a student at Millsaps. Rob and I dated a bit and also worked with John Robert, Paul Reihle, Jeannette Miltenberger Olps, and a number of others on a "Search" team helping with retreats for high school students. I regret that I haven't seen Rob since those days and did not know that he was ill. My condolences to all of you -- his close and lifelong friends and his family, especially Kathy. God bless all of you and grant you His healing and His peace as you lovingly remember your dear brother Rob.

“ You all are in my prayers. I knew Rob when he was just a little guy going to St. Richards. He use to try and follow me and Sally around. I know he was a good brother to all of you.
God Bless

“ *Kathy, you were so right this is a beautiful tribute to Rob. He was so blessed to have you and Mary so close. No one could ask for two more devoted sisters. I also know that the two of you were blessed also to have him as a brother and friend. My prayers go out to all of your family. God Bless you all.##imported-begin##Shannon Whitaker##imported-end##*

“ *I never got to see Uncle Rob as much as I wanted living in Indiana, but he was always one of my fav uncles. My sons met him for the first time this year. Even though he was so sick he made such an impact on my son Isaac. He will be missed dearly. I am sure his smile is just as big now seeing Grandma and Pop in heaven.##imported-begin##Katie Hibbs##imported-end##*
