

Robert "Bob" Edward Pagliaro

June 14, 1954 - August 20, 2021

Robert "Bob" Edward Pagliaro of Winter Springs, Florida, born on June 14, 1954, in Houston, TX, began his new life in heaven on Aug 20, 2021.

Bob was given many gifts by God which he used to make the world a better place.

He began his successful career in the telecommunication industry in 1975. He started with southern bell as a technician climbing poles in the Florida Keys. As the company's named changed over the years to BellSouth and finally AT&T, Bob remained with the company and was promoted to network manager for southeast construction & engineering division of AT&T. He retired in 2016 after 41 years with the company.

Bob was an active member of St Mary Magdalen Catholic Church in Altamonte Springs, the Knights of Columbus and the men's club. Over the years, he participated in many events with the Knights such as the church's annual Lenten fish fries and community fest.

In his younger years, Bob assisted in the construction of many houses for Habitat for Humanity. He also went on construction missions sponsored by the Church. One was in the Dominican Republic building houses for people in the Diocese of Orlando's sister diocese of San Juan de Maguria. Another

construction mission was to help rebuild a rectory in Mississippi following hurricane Katrina.

Over the years, he volunteered to help single adults in his local community maintain and repair their homes.

Bob was a talented cook especially of Italian food. He enjoyed the whole process involved in preparing a meal including creating, shopping, cooking, serving and clean up. He often cooked meals for people in the community who were experiencing difficult times.

Another hobby of Bob's involved cars. He was interested in the newest models, engineering technology, attending car auctions and car racing of all types. He enjoyed reading the car magazines he collected. Also, he used his knowledge to help people choose the best car for themselves and often went with them to negotiate the best deal.

Since Bob was dedicated to volunteering, he also helped his wife in her pet rescue efforts. His contribution consisted of transporting animals to veterinarians and to their adoptive, forever homes. His forte, however, was in the designing, building and installation of numerous outdoor feeding stations and shelters which had to blend into the environment to be inconspicuous as well as indoor playgrounds and comfort stations.

Bob is survived by his wife of 38 years, Marilyn; his sisters Donna (Peter) Midgett, Joanne Zimmerman, sister-in-law Margaret (George) Gram and many nieces, & nephews. He joins in heaven his brother Michael, and his parents Michael & Antoinette Pagliaro.

The family of Robert "Bob" Edward Pagliaro invites you to leave a message of condolence on the Tribute Wall created in his memory.

“ *Bob was just thinking of you again today when I met some retired Bell people for lunch. You were my favorite manager if truth be told and I thank the Lord that we were able to work together during yours & mine last years in Network Operations. I always looked forward to seeing you when you would come up to Jacksonville to my office - especially at Christmas you always gave the best gifts.....lol! Not really I just enjoyed talking with you - you definitely was a one of a kind manager. Thanks for being at my anniversaries with the company when Pat couldn't be there! You are truly missed but I'll see you again!*

I am so thankful we spoke not to terribly long before you apparently got very sick and passed. I sent you my yearly Christmas card and was glad when Marilyn sent me a letter to let me know of your passing.....

*Cheryl Crisp
AT&T friend*

Cheryl - April 03, 2023 at 01:44 PM

*Thank you Cheryl for your kind words. Your note is very comforting.

“ *Bob was the kind of friend who was always looking out for others. It was my honor to work with him for so many years at Community Fest as well as other fundtions or projects at St Mary Magdalen. He had a knack for figuring out the best way to accomplish a task, and I relied on his counsel often over the years. He was very much a "behind the scenes" man, working tirelessly at whatever he was asked or usually volunteered to do. That is a rare trait in today's world and I certainly appreciated it. I will miss Bob greatly. May he rest in the arms of Christ forever. Joe Hillebrandt*

“ Dearest Bob, you left us all much too soon. Thank you for your friendship, kindness, and the many treasured memories we hold dear. Always a gentleman, with a smile and great sense of humor to carry us through, we count ourselves blessed to have known you. You have made a difference and touched many lives in profound ways. Some of our fondest memories are of our Christmas lunches together sharing a years' worth of rescue stories, laughing until we ached, in the joyous comfort of good friends. It will be difficult to face your absence this year, but we will carry you in spirit until we meet up once again. It's been a privilege to have known you. God Bless, Mary and Lee Flickinger

“ I did not know Bob well but my husband worked closely with Bob in the Knights of Columbus and the Men's Club at St. Mary Magdalen Church. Whenever we saw him he always had a kind hello and smile. I always wondered how he managed to get in and out of those small sports cars! He was so tall! I know Bob will be missed greatly by all who knew him, especially his lovely wife. I pray that he is smiling down on us all from his place in Heaven.

I did not know Bob personally; however, by "sight" I knew him to be a great man! He was part of that amazing "Lenten Kitchen Crew" that my husband belongs to, except Bob had the "outdoors stove". I remember always walking past "his outdoor kitchen" with friends or our grandchildren during the Lenten Fish Frys and he was always busy at work but always friendly! It was obvious he was an important part of a great team, but it was his tall stature and kind smile that set him apart, a true gentleman♥

We pray you will feel our Lord's embrace, mercy and love, in these difficult days, through the many friends and family who will always remember him and love him.

“ I met Bob about 18 years ago, we immediately became good friends. We were both proud members of the Knights of Columbus and it was my honor to have him as my District Warden when I was appointed District Deputy. We spent many Christmas eve and Christmas days together as we enjoyed the typical Italian Holiday food. These memories will stay with me forever.

Bob, the Lord has called you to Eternity to be with him. You will be greatly missed

Rest In Peace My friend

“ *From Sister-in-Law and Brother-in-Law Margaret and George Gram, Austin, TX:*

Bob and Marilyn are Godparents, First Communion and Confirmation sponsors for our two children, Angela and Tom. We always knew they would be in good hands with my sister and Bob. In addition, Bob was the best uncle and Marilyn the best aunt any children could have. Bob loved to play games, fish, and talk with them. The kids were so thrilled when Uncle Bob drove up in a flashy new sport car every year. He let them sit in it and, dare I say, drive it with him in the driveway. Uncle Bob had a wealth of knowledge about rock music and musicians that fascinated us all. Bob was present and 100% involved in every birthday and holiday we had in NH. Bob and Marilyn also vacationed with us every summer in Maine where many lakeside memories were made. We all loved Bob's wry sense of humor, his goodness and kindness, and strength. Bob had a strong moral compass along with respect for himself and his loved ones. He was the best role model for Angela and Tom. He and Marilyn attended basketball games, swim meets, music recitals, and of course, graduations. We are so blessed to have shared our lives with Bob and Marilyn. We will miss Bob greatly. He will live forever in our hearts with the fondest of memories and a life well-lived. We love you, Uncle Bob. Margaret, George, Angela, Tom

“ Bob and I assisted Fr. Sean's Mass on Fridays at San Pedro. I was the reader and Bob was the altar "boy" or, as we would say, the altar "geezer". When Bob was serving, everything had to be done perfectly. He remembered his training years ago and did everything by the book. It was a blessing to see someone taking his role in the Mass seriously. Bob was an excellent role model.

Bob and I worked for competitive phone companies when we first met as managers actually working our employees together to take care of joint customers. I was also privileged to renew our friendship when he joined the Knights. He was a special friend who will be remembered and missed.
