“ *Steve Roth - Friend of family posted a condolence I had the pleasure of meeting Mr. and Mrs. Hill in 1986 after moving from snowy and cold Pennsylvania to St Petersburg. The first time I met them was the day of Tim and Linda's wedding and I was all bandaged up from a recent "run in" with barnacles in Tampa Bay. The Hill's new I was going to be bandaged up and uncomfortable sop they made a special area in their home for me to be comfortable while attending the reception in their home. That hospitality was heartfelt and is still very appreciate all these years later as a fond memory. I never spent much time with mr hill but each time I was around him, he was a true gentleman and fun to chat with, the last time being at Tim's 50th birthday party a few years back. I cannot be in St Pete Friday for his memorial service, but please know everyone, I am there in thought, I will be thinking about all of you Friday as you celebrate his life.*
