“ I first met Bob and Glenyce in 1976 when they came to Delaware by invitation of Walter Crawford for a week of revival meetings. I had no inclination at the time of the relationship that would develop over the years. There are very few that can be called fathers in the Lord; Bob was that to me; a life-long mentor and father in the Lord. That is more precious than gold.

“ He was a treasure from God. I enjoyed going to Israel and Egypt with him and Mama Doorn. He had a great sense of humor. He was very instrumental in my finding my way with the Lord and learning how to hear His voice. I loved him and his wife and he will be missed.

“ We have stood on the shoulders of giants in the Faith. Both Jack Hayford and Robert Doorn two of God’s most faithful have entered into their rewards this year 2023. Our condolences to the family for the loss (truly many have lost a spiritual father) yet we know Papa Doorn rejoices at the feet of our Lord and Savior Jesus Christ. He was such a blessing to my life (was a large part of the growth and development in my life and in the ministry). Having been sent by his invitation to the Philippines where I lived in his house and served as Pastor of Miracle Church and Director of PMMI for two terms, it was there God would take me on my own Jeremiah 18:2-4 experience. Some of the most dear people in my life came from that resident mission, one’s who enriched me in ways I will never be able to express. So I will forever cherish Papa and Mama Doorn who like Priscilla and Aquila were a virtue in demonstration to this generation. I am grateful for the impartation, trust, faithfulness and love they demonstrated towards me.
