“ *Teresa (T.C.) Krul - Friend posted a condolence Dear Bobby, It has been along time since I've seen you. I ran into David Edens and like childhood friends do, we talked about our days on Vina Del Mar. You were a true friend and I have many great memories of growing up on St Pete Beach. I remember you and that skate board and I remember that red Lemans and yes, Bobby, you never did yell at me when I "kinda took it for a ride" one day without your permission. I will forever remember the "Mole Hole" and the Jimmy Hendricks poster. I remember all the advice you gave me on everything under the sun. My friend, I know you are in a better place. It is after all, where we all want to be one day. We will ALL meet again one day. I KNOW this in my heart and I believe in it everyday. Over the years, my Dad passed, my 18 year old son Michael passed on August 14, 2003, and my Mom passed on June 4, 2005. If I did not believe I would see them all again, I surely would have lost my mind by now. (I can hear you say "TOO LATE" and can hear you laughing). To Charlotte, Cathy, and David....I truly understand how hard this must be for you, I really do. You must believe that you all be reunited one day. GOD bless you all.*
