“ I am the 1st (once removed) cousin of Sidney. I won a contest in 1977 for coming up with the theme for the Christmas Parade (I think my grandmother had something to do with it) but I won a chance to be in the parade and ride on the fire engine with Santa (portrayed by Sid).

“ I remember when Sid and Mike Burk came back from Vietnam and they asked Wanda if I could go out with them and Wanda was going to spend some time with her mother in Ocala. She said as long as they didn't get me into trouble cause if they did she was going to kick all our asses. All three of us went out dringing in Mikes 55 chevy and road behind the Christmas Parade and got caught by the police and got a break and was told to get out of the Parade or go to jail,(cop knew us all) so we left, we didn't tell Wanda for a long time. We were making memories together, will miss my good friend Sid. Rest in peace my brother!! Richard & Wanda Hittell

“ Sid, you have been my Dad for a little more than 35yrs. I couldn't be more proud to call you Dad. You never treated me as your step-daughter. You loved all of us kids the same. I couldn't have hand picked a better father and grandfather for my kids. We love you so much and we will miss you more than you know.
