And all of his other Great Aunts & Great Uncles, & Aunts & Uncles, & cousins.

All his Friends, from the neighborhood days, & those he has made throughout his life.

All his co-workers, both past & present day.

Bobby was, and always will be, a huge part of our hearts.

He was a wonderful son, a hard working man with a big heart, and loved his children, Hayleigh & Bubba, with all his heart...they were his world.

He grew up here, in Orlando, in a neighborhood where we all knew each other. He made some life-long friends, and was able to reconnect with some of them these last couple of months. He attended Oakridge High School, graduating in 2004. He was on the football team, the bowling team & in the ROTC.

Bobby moved to Georgia for work, and while there, got together with Nichole. They knew each other from growing up in our neighborhood, and had played together as children. He again moved for work, bringing his family back down to Florida with him.

Bobby loved to fish, hunt, and go on the air boat with Christopher. He was an avid College Football Fan...Go Gators! He loved to grill out, and thought of himself, as a 'Grill Master', and liked to sit around bonfires with his family & friends.

He was a Southern Country boy at heart, and believed in our Armed Forces...Patriotic all the way.

To say he will be missed...is an understatement...He touched so many hearts throughout his 30 years, and was loved by so many...he will be forever in our hearts, and loved always...

We are not saying goodbye, because we will see you again in Heaven...so till then, we will miss & love you always, never forgetting...

“ I meet Bobby and Nichole in Georgia. I lived right next door. It amazes me when I would look out my window and see Bobby walking with his kids up or down the street. Most of the time he would just watch them play in the yard. He was a great father to his beautiful kids. One day he stopped me and said you are messing up my head when you are grilling. I can smell ribs when I'm entering the subdivision. Sweet and wonderful words to my ear. He knew how to get a plate. So therefore I decided the next time I grill barbecue ribs I would grill some for him and Nichole. So, I did. His smile could melt your heart. It was his way of saying thank you. The very next day he stopped me to say those ribs were very good but Haleigh ate most of them. They were the best neighbors I ever had and it crushed me when they moved to Florida to better his career. I've spoken to Nichole briefly since Bobby went to Heaven but still find it so hard to believe. The last time I saw them they were packing to leave. I know the pain is hard to bear and will never leave your hearts but Bubba carries that same smile that he dad had. Keep his legacy alive through him. It makes it easier to cope. Bobby you are gone but you will never be forgotten. Rest in heaven my friend till we all meet again.

“ I met Bobby not long before his passing through his cousin Ann-Ashley. And he was so sweet and so silly and random. We text messaged and Facebook messaged quite a bit. I'm so very sorry this happened. My heart goes out to his entire family and his kids. Rest in heaven Bobby. You can give all the angels massages. (Inside joke) xoxoxoxoxo
