“ To Robbie,

*I will NEVER EVER forget you and forget the first time I came to Florida and to spend time with all of you. You and your wife Kesh took me right in like I was already apart of the family. I will never forget the encouraging and motivating things you instilled in Iris and I in order to achieve the things we desired to accomplish in life and to live life to the fullest. Although your timing here on earth was limited you accomplished so much!!!!!! and your boys have that to live with and look up to. Job well done! I am happy to have had the pleasure to know you and that silly laugh you had and your infamous saying always to me and "bubs" #Yallwhack lol, nothing but good times and good vibes. Rest on peacefully. <3*

*-Much Love,

“ Our deepest sympathy to LaKesha, Rob III, Xavier and family. Rob was an aspiring young man. His entrepreneurial skills and loving personality was an inspiration to many. He was my son's friend and brother. He will be sorely missed, never forgotten. "Let not your heart be troubled neither let it be afraid. You believe in God. Believe also in Me. In My Father's house are many mansions. If it were not so I would have told you. I go to prepare a place for you; that where I Am there you will be also. And where I am going you know, and the way you know...I AM the WAY the TRUTH and the LIFE. No one comes to the Father except through Me." John 14:1-3,6. Rob Rest in peace.

“ Your impact on everyone you knew is undeniable...I can speak first hand on that. I still struggle at times, extremely hurt that you are not here physically with us anymore. That will never change. But I also remember how you lived and how you would want me to live and that is what helps the most. I'm forever thankful that we were put in each others lives, even if it wasn't as long as we'd hoped. I love you bro, and I will do my best to continue to make you proud. Till we meet again homie...

Robbie, you set the bar really high and inspired so many that you have gotten your star on Heaven's Pearly Gates! Loving you and missing you always! Your Aunt Moochie (Faith Nelson)

“ Rob, you will never, ever, ever be forgotten. We grew up together, your guidance and style help mold me into the person I am today. We had so much fun and you taught me to have respect and to respect others. The most rewarding experience was your support at my side when I joined church accepting God as my Savior. You will forever be with me. Love always, your cousin and best friend, Chief. (Lonta Smith)

“ I will never be able to articulate how painful this is. There are many words to describe you, but all are matchless. You were one of a kind, brilliant and you inspired me. You will always be Mr. Smart Guy! What could you not do or fix?! My sister and nephews could not have had a better provider. I will find ways to honor your memory for the rest of my life. I will always miss you and it will never be the same without you. I will do as you told me and my Mom to do; and that is to look after my nephews....I love you.
