“ I first met Bob with Linda as dental hygiene pts. and became friends with them spending time and cherished memories over the years. Bob was quite an amazing, inspirational and gifted human and a Super Hero to those that knew and loved him. He had a true love for God, Country and Aircraft. I know he is basking in His Glory and flying free. My sincerest condolences to the entire Jones family.

“ Bob was a very special cousin who was loved by so many and who will be missed by everyone who knew him. He was interested in the past generations of our family (our moms were sisters) and was curious to find out as much as possible about them. I shared with him what I knew. My heart is broken at the loss of this wonderful man. Love and prayers to his family.

“ Bobby and I have been friends since 1965. Over 60 years ago. We met at Lockhart junior high. Bobby has always been such a major inspiration to me. His love for God and his family were a testament to what a wonderful man he was. I am going to miss my encouraging phone calls with him. There is no one that I know more that deserves to be in heaven. I loved him and will miss him dearly.

“ My cousin, Bob, was a great and wonderful person. I didn't get to see him a lot but I will never forget our family reunions that we had back in the "good ole days". When we were young, we were within a block of each other. But, I know I will see him again...in Heaven! God bless you dear family. From Charles Jones and family!

“ I had not seen Bobby for over 50 years but managed a trip to Lockhart for the reunion festival and hoped for a chance to find him. I did and we found time for a little reminiscing. Bobby was my best friend during my last years in high school and we shared a love of the Lockhart Volunteer Fire Department. We spent many days training, answering emergency calls and just hanging out at the fire station. I left for the Navy and never caught up with him again. He sent a letter to me while I was stationed in the Philippines addressed simply as Tony Howell USNAVY. It took a year, but the letter found me. My condolences to his family, he will be missed.
