“ *Worked under Bob at UF, a wonderful boss, and advocate.*

“ *Bob was truly an outstanding boss. One of my favorite people to ever work for. I have continued to tell stories about Bob since my time working with him. He was a great story teller and such a funny guy. Anyone who has ever worked in Financial Aid has plenty of stories. My favorite story he shared was....one day a student was pissed about her financial aid. Bob took her back to his office and she was not happy. Apparently as she sat down she said my financial Aid is F\$#* Up. Bob with out breaking stride sat at his computer and calmly said.... Let's UnF\$#* your aid... According to the witnesses... The statement completely disarmed her and they had a civil conversation. Only Bob would have the quick wit to go there and have it go that smoothly.*
