“ *Norm & Jan DeMeza - Friend, co-worker, classmate posted a condolence Our hearts go out to Ginny and family. We share your sorrow in losing someone very special. Bob was such a great guy whose friendship has been there since childhood, continued at church gatherings as teens, then high school, and later all of us working together at GE. He'll be sorely missed at the weekly GE breakfast get-togethers as well as all the Dixie Hollins reunions. Rest in peace, good buddy. You've made a lot of friends here on earth who will look forward to seeing you again in Heaven.*
