“ *Doris Campbell - friend from church posted a condolence Last saw Bob about a month ago. A friend and I from his church, Friendship UM Church, visited him and shared communion with him. He was a very special and gracious man who had struggled for several years with various forms of cancer. Not sure he had any family left but he had many friends. We know that he now has no more pain and sickness and has taken up resident in that room the Lord had prepared for him. God blessed him. Doris Campbell*
