“ I met Bob in the 1960's when we both worked at the Ohio State Fair We became close friends through the years following, also being friends with Bob's family. We shared many good times in the 60's and 70's until Bob moved to Florida. Ellen, you and your family are in my thoughts and prayers during this difficult time. Bob was a great friend and will be missed. God Bless him and his family.

“ Bob was a good friend of mine, we did many things together when we were in our twenties. We were in each other's weddings. Bob was a good man and we all will miss him. I know he is in a better place now and I will see him again sometime in the future. May God bless you Bob.

“ Bob was a good man. He loved life and fought to the very end to keep living it. Early in his life he was in the carnival business as it was the family business. He later became a transmission man and was very successful at it. He married and had a son Jason and years later met and married Ellen and had a son named Zachery. We lived in Florida most of our 33 years of marriage and Bob led an interesting life to say the least. He was medically retired the last few years and was devoted to taking care of his animals. Bob was a huge animal lover and selflessly loved and cared for them as long as he was able too. Bob will be forever in my heart and many others I'm sure. God rest his soul in peace and I know he will be playing and loving all the littles that made it to heaven first.
