“ *Early memories of Bobby include debates with my Brashear uncle's.....about religion and politics....he could really get them going.....and had a sly grin while doing it! Later memories were from the time Dad was battling lung cancer. Bobby called weekly to talk with Dad or to check on him....I'm sorry we have lost them both.*

Hey Kin if you see this please contact me at khsgrad2001@yahoo.com. Your a cousin of mine on your dad's mom Edna Childers side. She is my 2nd great aunt. Also I have a DNA match on ancestry who is looking for his biological father. He matches both your dad's parents Edna and Charles side of the family. His biological father is either your dad or your uncle James.
