

Robert Leith Sauls

April 21, 1933 - April 22, 2019

Robert Leith Sauls, 86, passed away April 22, 2019 at his residence in Deland, FLorida. Mr. Sauls was born April 21, 1933 in Washington D.C. to Al Sauls and Louise Sauls.

He is preceded in death by his father Al Sauls, mother Louise Sarchet and step father Gerald Sarchet. He is survived by his children: daughter, Kelley K. Sauls; son, Robert L. Sauls, II and many loving family and friends.

Bob began his early adult years as a professional water skier at Cypress Gardens in Winter Haven, FL and later became the proud owner of “Kelley Vending” in Annapolis, MD.

Bob was many things. He was an extremely hard worker. He also enjoyed making others laugh, often concocting elaborate but lighthearted pranks on those that he loved and cared for. He also loved sports and prided himself on his vast knowledge of sports trivia. He would quickly quiz someone when first meeting them, on their knowledge of sports by asking them a few sports related questions.

Bob was happiest when spending time on his boat “ Coin Return”. He not only enjoyed working on and maintaining his boat at The Annapolis Yacht Basin but he always looked forward to entertaining family and friends on the

waterways of Annapolis and surrounding areas (while working on his tan).

In lieu of his wishes his family will forego a traditional funeral but instead will be hosting a Celebration of his life on May 5, 2019 at twelve noon at Mike's Restaurant and Crabhouse, 3030 Riva Road, Riva, MD 21140. “ I first met Bob in Bay Ridge when he & Rob moved directly across the street from me. Rob & I quickly became friends and went to play Lax at AACC. Bob had Kelley Vending & we spent many, many evenings after school & practice in the warehouse loading the trucks for the next day with Greg, Val, Jack, & Rob always pillaging assorted snacks & candy in exchange for our "slave labor". Bob later bought a 1986 30' Sea Ray Sundancer he named "Coin Return". I got him a great slip at the Yacht Basin & helped him maintain the boat & fix whatever he managed to....oops,...break. I spent many Thursdays on my day off running around the bay on that boat...it was my quality down time with friends.

He spent so many hours up at the fuel dock & was always a fixture in the mornings when we opened up. If I caught him sleeping in I would always rock his boat when on my morning "slip surveys". He would always crack up laughing & would always get me back. He had a kind heart and LOVED people and sports. He was always willing to help me move a boat when I was in a pinch & was a good ear to chat with. I looked at him as a friend but also as a father figure.....he was influential in my life during those years & at the fast paced job of managing the Yacht Basin.

I will never forget his laugh, smile, & great sense of humor. He was truly one of the good guys! His son, Rob, is like a brother to me today and I see many traits in Rob that I admired in his Dad.....such a blessing.

Rest in peace my fellow Sea Ray & tournament water ski lover.....you made a difference in my life.

Love ya.
