“ *Michael Joseph Patrick Garnett, (Smith) - Nephew posted a condolence Dear Uncle Bob, It's not by our choice to come and go on this earth, but what we choose while here, that guides our final destiny when we depart. Lord knows your choices while here were the correct ones, and now you are up in Heaven. I know you are up in Heaven, because GOD has a special place for people like you. You are in his Paradise where happiness is never lacking, and pain and suffering are words never heard of. Uncle Bob, the time I spent here in Florida not only gave me time to mourn and remember you, (and our lives together), but to witness the lives you touched here. You were truly a rich man, not in tangibles, but rich in the many friends you have temporarily left behind. I will truly miss you Uncle, those 1am phone calls, your smile, and what we had while you were here. You, Nanny, Poppa, and Lady are now together and in Our Lord's care. Love, Michael*
