“ *Anne Deschene - friend posted a condolence I spent my tender years at Holy Ghost School and parish with Bobby, his dear cousins Barbara and Paul in a small class that stayed together til high school. We found each other aagain through Facebook and I enjoyed his posts showing friends, a happy relationship with Bette Ann, his furry friends, and shared his adoration for all things Veterans. He was a good child, a good man, and I will miss him. Rest in peace, Bobby and watch over those who love you.*
