“ Family - Family posted a condolence God took the strength of a mountain, The majesty of a tree, The warmth of a summer sun, The calm of a quiet sea, The generous soul of nature, The comforting arm of night, The wisdom of the ages, The power of the eagle's flight, The joy of a morning in spring, The faith of a mustard seed, The patience of eternity, The depth of a family need, Then God combined these qualities, When there was nothing more to add, He knew His masterpiece was complete, And so, He called it DAD! ♦

That's the best part of the story. His angel came for him today and took him to Glory. Jim and Mary Ramer
