“ My heart goes out to all of you as you go through this sad time of having to let go of someone you love so deeply. He was always so sweet and kind and very funny! It was good to be able to spend this last Thanksgiving with him even though he was sick. He still had that sweet smile on his face. He will live on in those hearts that knew him and love him. He will be greatly missed by many.

Much love and many prayers for peace to come knowing he loved you all so much!!

“ *Bobbie, Scott and Lisa,*

Just saw Bob's notice today, 3-22-16. I know Bob's smile and sense of humor will be missed by everyone who knew him. It's been quite some time since we spent a day together (another long story) all those years ago but you all have been in my thoughts every day. I remember Bob's '53 Olds and lotsa other stuff. Don't know if Scott remembers but Lisa was with us that day. Thoughts, prayers and love always. We lost one of the good guys.

“ Our heartfelt condolences to Bobbie, Scott, Lisa, and the rest of Bob's loving family. Bob's light was snuffed out too soon. While he was with us his light shone brightly. I lived next to the Swartz's for 16 years and remember Bob's infectious smile, quick wit, and hearty laugh. I loved hanging out at the house and being part of that and likely often out stayed my welcome. I never heard Bob say an unkind word to anyone or about anyone. He was a true gentleman and a rare breed of man. They don't make many like that anymore. Even though after I moved away I didn't see Bob often, there was always some comfort to me that he and Bobbie were still together on Pheasant Circle. I'm sad that Bob is gone and seeing him again is impossible in this life. RIP Bob. From Stacie Morales on behalf of the Morales family - Jose Luis, Jacob and Juliette.

Something else I remember about Bob. When I was 15 I knocked down our basketball post practicing driving up and down the driveway. That thing laid on our fence for probably a month. Bob never complained about it but one day it got moved behind our fence. That was Bob who took it upon himself to fix the problem. No complaining he just took care of it. That was bob's way. I remember thinking: he's so cool. To me, Bob was and always will be the epitome of "cool".

“ *My sincerest condolences to the Swartz family. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalm 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."*

May your reflection on this promise and your many fond memories of Robert give you the strength you need to endure this difficult time.

“ *Hello Bobbie,
I am sad to hear of Bob's passing. He left us too soon. He certainly made my life easier when I worked at WMG managing property. I told him once that he could not retire until I retired. He was my first go-to person when I needed work done. He was a loyal, honest and very capable handyman. There was hardly anything he would not tackle. I hope to meet him in the resurrection day. Rest in peace, Bob.*
