“ *Bob,*

In your life you meant so much to so many, but none more so than those of us privileged to have been part of your immediate family. You supported us, prodded us and most importantly loved us. You gave us laughs and now tears. The many days we shared together will be fondly remembered as long as we live. Thank you so much for sharing your life with us! Rest in peace, we'll miss you...

Love,

Bobbie and Dan
