“ *Today is the day of my brother's service. It is a somber day with a real feeling of loss and emptiness. My brother Bob meant the world to me. I have never known nor will I ever meet again anyone like him. Bob was quite unique. Everyone liked him and was drawn to him; he was always polite and kind and willing to help. I will miss Bob terribly and love him with all my heart . I love you Bob and will miss you forever. Phillip##imported-begin##Phillip##imported-end##*

“ There are never sufficient words, nor space; and as we've found, not nearly enough tears in saying good-bye to one as beloved as my brother Bobby. We traveled many roads together, we shared tremendous highs and a few lows, and the only thing that made it all worthwhile was having you next to me. At this very moment I'm not quite sure exactly how the remainder of my time on this earth will be spent without my brother nearby. Somehow we'll heal and I'll see you again my brother, and I love you more than you can ever imagine. Thank you for helping me become a better person...I hope I didn't fail you. Love you forever...##imported-begin##Steven##imported-end##
