

## Robert Theodore Williams MD

March 1, 1944 - April 27, 2019

Bob passed away April 27, 2019 at the age of 75.

Survived by his wife Audrey, sons Robert Jr., Matthew, daughter Susan McCormack, son-in-law Zachary McCormack, sisters Sylvia Caraway, Sheralynn Morgan and Deborah Lobsinger as well as many nieces and nephews from Raleigh, NC to Hollywood, FL.

Bob was preceded in death by his father Robert W. Williams, mother Dorothy "Dot" Williams and sisters Dorothy "Dottie" Bolton and Frances Williams Riser.

Bob was born on March 1, 1944 in Sanford, FL, graduating from Seminole High School in 1962, the University of Florida in 1966 and The University of Miami School of Medicine in 1970. After completing his Family Practice Residency at Duval Medical Center in Jacksonville, he practiced in Blakely, Georgia. He moved to Hialeah Hospital and Jess Parrish Memorial Hospital as an Emergency Room Physician before returning to Family Medicine at various locations in Seminole County at Centra Care for the next 37 years, as well as from a table at the Colonial Room where he frequently answered medical questions for much of old Sanford.

His love of fishing and hunting with his beloved father as well as his love of great southern food and bacon grease was legendary.

Greater still was his love of family. Bob Jr., Matt and Susan have become exceptional adults who have blessed him with so many proud accomplishments.

Bob's Celebration of Life will be held from 4-7pm on Saturday, May 4th at DeGusipe Funeral Home, Sanford.

The funeral service is scheduled for 2pm on Sunday, May 5th at Holy Cross Episcopal Church in Sanford with a reception to follow immediately after the service.

While always a dog lover, when Bob first saw the soon to be family Chihuahuas, he said that no little rat dogs would be allowed in the house, however "Baby" soon broke into his heart and converted him to a Chihuahua lover and was by his side for years.

As such, in lieu of flowers, donations can be made to Pet Rescue by Judy (Sanford).

“ *Dr Williams was one of the most genuine, kind hearted and gentle souls I have had the opportunity to meet. We worked together at Centra Care for a period of time but the impression he placed in my heart will last a lifetime. He immediately took me under his wing with no hesitation. Dr. Williams was a great teacher and was always eager to do so. Although he had many years of experience as an MD; He never thought himself too proud and had a very humble heart. He was timeless and has definitely left his signature mark on the life of so many. My condolences to the family who he adored and talked so highly of so often. You all were his greatest joy and pride! Dr William's was a true gift to so many and it was my privilege to know him. He will truly be missed! Rest in peace Dr Williams!*

“ Bob was the Valedictorian of our class of 1962, Seminole High. A great guy, and I still remember his words from 1962, " don't put your faith in experts, an ex is a has been, and a spurt is just a drip." See you later Doctor Bob.
