“ Dear Marie and Family,

*I am very sorry to hear of Bob's passing. What a great man. Your
charity work for the American Cancer Society and other great
causes inspired me to do more for others. The times are very
difficult right now, but people like you and Bob remind us that
kindness, caring for others, and volunteering make the world a
better place.*

“ I never met Bob, I know about him from what I have heard from Sandy. But I know for a fact that he was a good man! I know this from the person he helped raise Sandy to be...kind, selfless, generous, funny, smart, and a good friend. Hugs, Carolyn Sampson

“ When our family went through a very difficult time with health concerns, Bob picked up our children at school, so we didn't have to suddenly change schools. He will be part of the neighborhood memories for them.

“ Bob was an awesome man. He was nothing but friendly and loving to me and my family each and every time I was lucky enough to be around him. I will never ever forget his big smile and laugh. He was wonderful husband, father and friend. Nothing more could be asked of any man. He will certainly be missed and never forgotten.
