“ *Robin and Mke Allen - Friend/neighbor posted a condolence Dear Mary and Family, We know you miss Robin so much. She was a "rock" to all of you. Always upbeat and positive...and fought the good fight with such courage. We loved our visits with her and her thoughts were always of you all, never herself. We promised her we'd be here for you when her "shift" was over. She loved you all so very much. Hope you will lean on your friends, and her many friends. She's in a better place and pain free at last. God Bless, Robin and Mike*
