“ Robin was my cousin. He had the best smile and loved laughing!! He was a wonderful man. He struggled with his illness since he was a child. However, he always made the best of things and always had a great sense of humor. I can still see him riding his scooter! He loved doing that! He loved his family and our Lord. Now he is celebrating with Jesus, his mom and dad, and all those who have gone before him. You suffer no more sweet Robin. I will miss you and I love you❤️
