Tribute Wall

“ Nobody knows why God called up your name so early, without warning, without "prior notice", but He has a reason for that, no matter how unfair we think this is. I know you are up there, together with your loved ones that departed before, and when God calls up our names, we will see you and meet again in a joyful moment of reunion. I'll miss you my friend, but I'm happy that I'll see you again when my time to depart arrives. God bless you

“ Querida Pochita, con una pena muy grande al oír de mi hermano Henry la trágica noticia. Amiguita querida de mi infancia, te acompaño en tu dolor. Es una foto linda de Juan, con su carita dulce y sus ojos profundos...Que Dios lo bendiga y lo tenga a su lado. Este es un pesame para toda tu familia, uno que nunca hubiera querido darte.
Te abraza y te besa, Gabriela##imported-begin##Gaby Power##imported-end##
