“ Lorraine B. wilson posted a condolence So sorry, to find out that your father passed away, He and I shared many cups of coffee back in the early 80's. And recently in the last two years we talked on the phone and communicated through texting. In fact my last text to him was on the day of his death. But I just found his obituary today. We were good friends. I will miss him!

“ *Jordyn Watkins lit a candle I am so sorry for your loss. He will be greatly missed. Crazy always made me laugh and always had great memories with him. One of those memories being of Brooke, Griffin and I all in Crazy's truck. Brooke and I in the back seat, Griffin in front seat and Crazy driving. We pulled into the driveway and all got out of the car very peacefully but me...I tried to get out of the truck but fell backwards hard. I laughed, Crazy said a joke about me falling and everyone else laughed about me falling out of the truck. I love you guys! He is no longer in pain and I hope to one day hear more jokes from him in heaven! Jordyn* ❤️
